

Dear All,

Following the update from the government, we have closed the club.

We will re-open when the situation improves based on the direction given to us all. We hope like you, that this will be in the coming weeks.

Apologies to all of you who had bookings with us.

We have a strong business and we have strategies in place to get us through this crisis and out the other side so we look forward to being back, firing on all cylinders, as and when the time is right.

We would like to thank you for your loyalty and we will keep in touch with news and updates throughout our period of closure.

Along with our standard social media platforms such as twitter and facebook, you can contact us on hospitality@tithefarmclub.com .

Wishing you well, stay safe.

The Management and Committee
Tithe Farm Sports and Social Club.
